

FALL WORKSHOPS at EPU

4440 N. First Ave., Fresno CA 93726

A Guide to the IFSP: Early Intervention Process

Children receiving Early Intervention Services birth through age three follow an Individualized Family Service Plan. Find out more about this plan, the process, and the protections it gives families.

August 8: 10:00-11:30am

October 5: 1:30-3:00pm

Section 504: Removing Barriers and Creating Access to Education

Find out how to remove barriers and create access for children in and out of special education using 504 plans. This is a great tool for many students including those who do not qualify for an IEP.

September 5: 6:00-8:00pm

November 16: 9:30-11:30am

A Guide to IEPs: The Special Education Process

Become an effective member of your child's IEP team. Understand your rights and responsibilities, and the basic format of the IEP.

August 23: 9:00am-12:00pm

October 10: 6:00-8:30pm

November 27: 9:00am-12:00pm

My Child is in Trouble, Again? Helping Students on IEPs with Difficult Behavior

Some children who qualify for an IEP also have difficulty with Behavior. When a child's behavior impedes their ability to access their education, behavior goals, services, and supports are key.

November 30: 9:30-11:30am

Help, My Kid is Growing Up, Now What?

*Future Planning for
High School Age Youth*

As students living with Disabilities reach High School, we begin to look at what options are open to them after senior year: College, Career and Job prep, ATP and Day Programs. Come learn about options for young adults and the students' rights as they reach age of majority.

September 12: 9:30-11:30am

We are a Parent Training &
Information Center.
Follow us @EPUParent

Training is FREE, but please RSVP!
